Subject: Council Goals  
Date: February 7, 2025

I have listed the goals the Council discussed at the Council Retreat on Friday, February 7, 2025. I have listed them based on the priority Council assigned to each goal from high to low. Hopefully this will help provide a quick overview going forward.

High- Improve code enforcement  
High- Streamline daily purchasing  
High- Review time procedures/time clocks vs time apps according to dept. needs  
High- Make departments exempt employees (according to FLSA standards and rules)  
High- Complete mapping of sewer system  
High- Clear sewer right-of-way where needed  
High- Resolve camera issues  
High- Transition to new website (working and make sure that we can update website as needed)  
High- Work on sidewalk repairs in the city limits (check DOT ownership vs city)  
High- Expand to a full-fledged farmers market  
High- Create emergency management plan

Medium- Incorporate New Ellenton's 75<sup>th</sup> anniversary celebration into 2027 activities  
Medium- Rebrand New Ellenton youth sports  
Medium- Add to existing parks (exercise equipment)  
Medium- Update sewer lift station to meet future demands  
Medium- Add and/or replace welcome to New Ellenton signs  
Medium- Streetscape grant  
Medium- Grant for sidewalk expansion in town

Low- Health and wellness grant.  
Low- Look at ways to develop 600+ acres in city limits.
